Ducks is proud and honored to be the home of the 'Keepers Of the Dance' for the Hall of Fame. Each year Bob Myrick and committee selects young dancers who have helped "keep the dance" alive. Each person selected is not only a good dancer, but has their "heart and soul" in the music, dancing and the camaraderie that goes with the lifestyle.

This year's ceremony will honor those announced last October at the Hall of Fame Inductions. Their pictures will be added to those already mounted on the wall. Please take time to look at the pictures and speak to the dancers.

They have helped and will continue to help make this dance what it is!
